About Our Program

CLS is bringing over 125 years of experience to your rental program needs.

Ten years is the average tenure of our Route Sales Professionals. Less turnover means you'll see the same smiling face every delivery.

We go the extra mile, from last minute requests to emergency orders, we follow the "completely satisfied" mindset.

98%+ of our customers stay with us once they sign up. Some of our customers have been with us for over 75 years.
