About Our Program

CLS brings over 125 years of experience to your rental program.

Ten years is the average tenure of our Route Sales Professionals. Less turnover means you'll see the same smiling face every delivery.

We go the extra mile for complete customer satisfaction. From last minute requests to emergency orders, we've got your back!

Over 98% of our customers stay with us once they sign up. Some of our customers have been with us for over 75 years.
