

Facility Services Checklist

Everything your business needs to keep restrooms, work areas and break rooms fully stocked.

Walk your facility department by department and check off what you already have.
Anything unchecked? CLS can deliver it on an as needed or recurring schedule.

Restroom Systems

- ☐ Touch-free soap dispenser (foam, antibacterial, or moisturizing)
- ☐ Paper towel dispenser, sized for traffic volume
- ☐ Toilet tissue dispenser, standard or jumbo roll

Air Fresheners & Odor Control

- ☐ Passive air freshener system with scheduled cartridge replacement
- ☐ Urinal screens to control splash back and odor
- ☐ Bowl clips for smaller restrooms and additional areas

Can Liners

- ☐ Low density liners for heavier or industrial waste
- ☐ High density liners for offices, break rooms, and restrooms

Disposable Gloves

- ☐ Nitrile gloves (multiple thicknesses for general and heavy-duty use)
- ☐ Latex or vinyl gloves for lighter tasks
- ☐ Exam-grade nitrile where added protection is needed

First Aid Products

- ☐ Fully stocked first aid cabinet, checked on a set schedule
- ☐ Emergency response bag organized by injury type
- ☐ OSHA-compliant bloodborne pathogen kit
- ☐ Eyewash station, mounted and stocked for on-site rinsing

Smart Systems (Food & Beverage Areas)

- ☐ Drain treatment to prevent buildup and odor
- ☐ No-rinse bioactive floor cleaner
- ☐ Fruit fly trap for kitchen or bar counters
