Equip Your Team

About Our Programs

We are dedicated to keeping your operations running smoothly by providing the reliable, personal service and local support your team can count on week after week. From professional uniform programs to essential facility supplies, our team delivers everything you need to keep your business clean, safe, and looking its best.

125+ Years of Experience

Serving Michigan Since 1899, we've build proven systems that keep your program running smoothly.

Local Accountability

As a local provider, we take our customers' needs seriously and take full ownership of the service we provide.

Dedicated Route Support

With an average of 10 years of tenure, our Route Sales Professionals provide a consistent, familiar presence each week and go the extra mile to support your business.

Built on Relationships

Over 98% of our customers stay with us year after year, with some partnerships lasting more than 75 years.

How does uniform rental work?

5 in the wash at CLS

+

5 in your locker

1 to wear

We offer a worry-free service to ensure your uniforms are washed and delivered back to you on a weekly basis! We use UHF-RFID technology to track every garment through pickup, laundering, and delivery, ensuring accurate and complete service every time.

Garment Repair App

Simplifies uniform maintenance, allowing wearers to request repairs to their garments.

Direct Access

Access your account details, connect with your CLS representatives, and view or pay invoices all in one place.

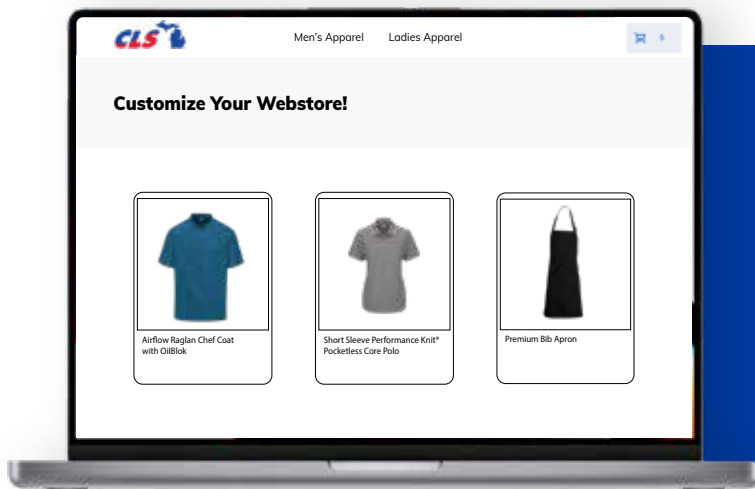

Custom Image Wear

If rental isn't the right fit for your needs, our Custom Image Wear department offers professional apparel and branded gear available for direct purchase.

We specialize in:

- Corporate Apparel
- Embroidery
- Screen Printing
- Spirit Wear
- Promotional Products

Bring your brand to life with custom apparel designed to create a consistent, professional look across your team.

Custom Webstores

Make ordering simple for your team. Our custom webstores allow employees to select approved apparel from a curated selection, making it easy to order what they need, when they need it.

Certified Hygienically Clean

Hygienically Clean is an established threshold that guides the reduction of pathogens on textile products to levels that pose no threat of human illness. At CLS, our certified food safety laundering processes strictly meet this threshold, providing your business with third-party verification, HACCP compliance, and total peace of mind.
